**Environment Education:** How can we show love and care for the environment by minimising trash or waste?

**Service Learning:** How can we serve the people (the sick, the elderly, less fortunate children) in the community around us?

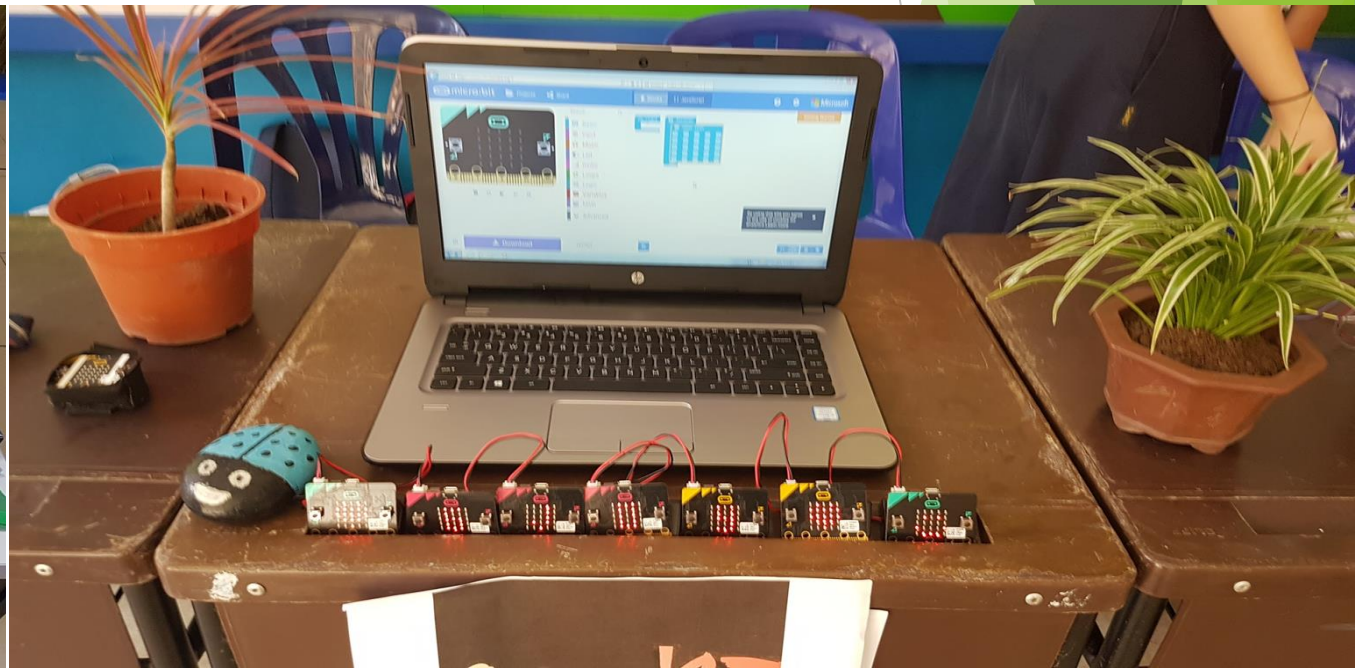

# Charity Organisations majority of P6s have selected to work with:

- 1) Geylang East Home for the Aged
- 2) Canossaville Children & Community Services
- 3) Singapore Cancer Society

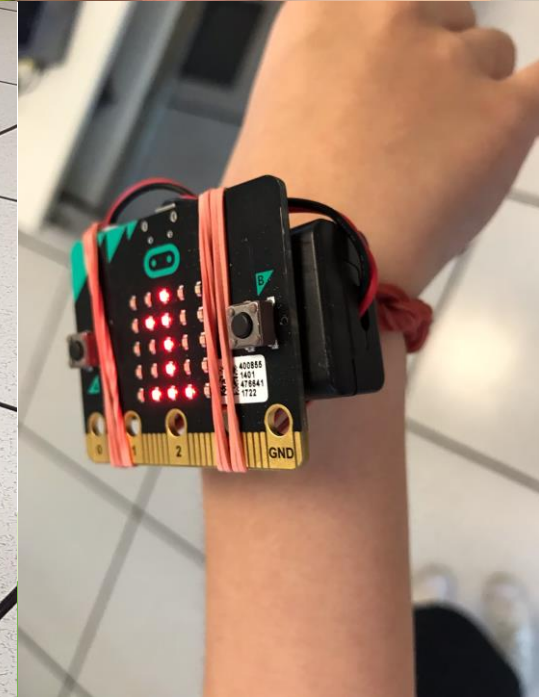

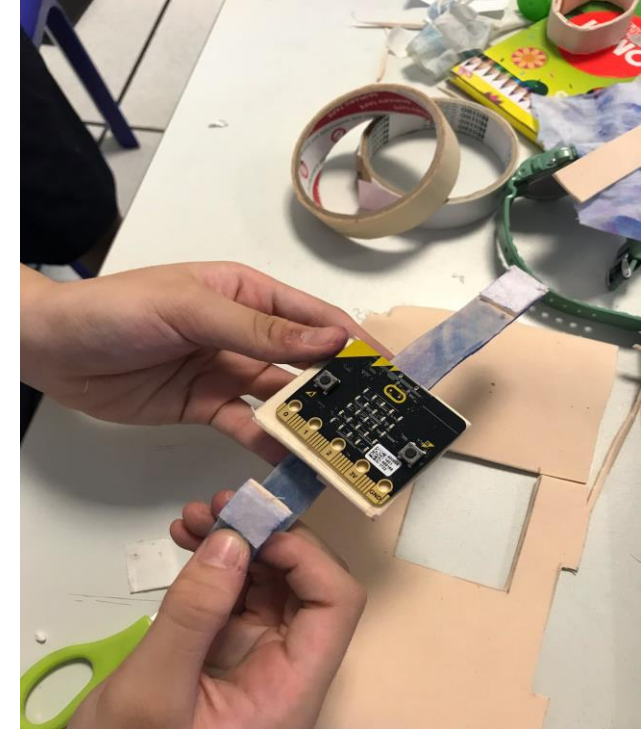

# 6 DI, 6GR & 6JO MICROBITS 2017

# ***Our experience with Microbits***

- Programming the microbit
- Finding ways to make the things with recycled materials
- Refining the step tracker

# What we learnt at the Singapore Cancer Society

- Cancer is on the rise in Singapore
- 14,148 people diagnosed with cancer each year and 5,899 die each year.
- Self-funded charity with institute of public character (IPC) status.

# ***The needs of this centre and its patients***

- Volunteers to ferry the patients from their homes to the rehabilitation centre

# ***Our sharing & learning at the Singapore Cancer Society***

# ***How to help further if we are interested?***

- Youth for causes programme
- Relay for life on 3 Feb 2018 (charity run/walk)

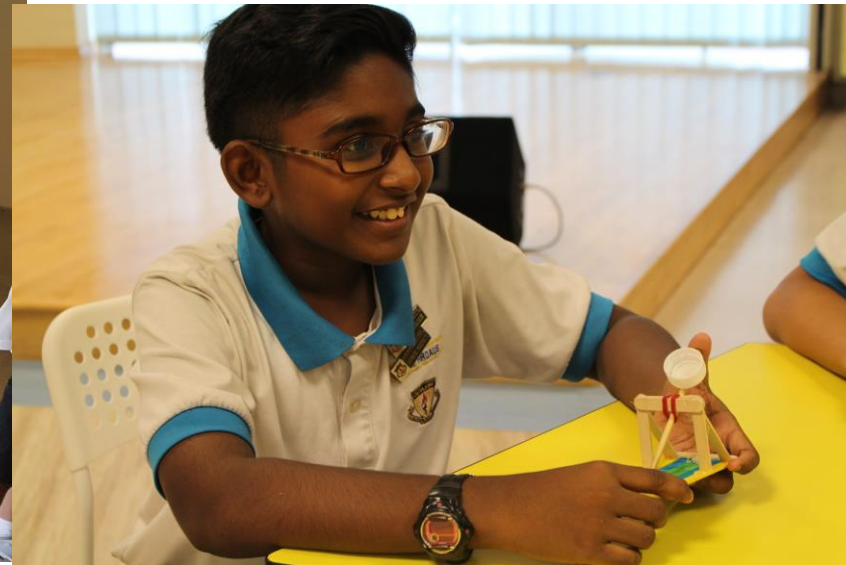

# 6CH, 6FA, 6HO & 6KI WEEBIZ 2017

# Our experience with Weebiz

- We had to go through a lot of hard work to figure out our products for Weebiz
- And it was with trial and error that we managed to figure out the design for our products

P6's at hard work selling their wonderful products for the three charitable organisations

Our customers enjoying  
our products!

**We have raised a total  
of \$3329.80 for the 3  
charity organisations!**

**We visited the Geylang East Home for the Aged when we were in Primary 1!**

thank  
you
